ANNUAL REPORT

ANNUAL REPORT 2020- 2021

**CREATING A BETTER TOMORROW
25 YEARS OF SERVICE TOWARDS HUMANITY**

FOUNDER'S MESSAGE

The year 2020-21 was a landmark year for Me and Amcha Ghar for many reasons as world is going through unprecedented challenges due to global pandemic of COVID-19 and we have completed 25 years of our commitment of service to humanity. Our journey began with 4 children, whom I call pillars of Amcha Ghar, as of April 2021 we have impacted 13,19,469 beneficiaries directly under our flagship initiatives which includes access to Nutritional aid, quality education, sustainable livelihood and preventive healthcare which drives us to contribute towards attainment of sustainable development goals (SDGs). Next five year plan we wish to scale our projects to across India, with clear cut focus on growth, support from our donor community and other stakeholders.

Amcha Ghar aims to set up clear and comprehensive strategy that include all the measures that go beyond meals, for the holistic development of school-going children in India, youth and senior citizen. We will enthusiastically support policy changes based on the efficacy and impact of our new initiatives.

This Annual Report will encapsulate Amcha Ghar's progress in the year 2020-21 and give insights into the organization's ongoing and upcoming transformation. As we prepare to do so, we look forward to collaborate with new partners, donor community and non-profits that will maximize our collective efforts in creating impact at a scale. Today, our beneficiaries and their families stand as inspiring examples of the remarkable transformation that healthy nutrition & education is capable of bringing in their lives. Amcha Ghar is both, humbled and proud, in being a part of their journey, seeing them spin the wheels of change, empowering themselves and the lives around them.

As we present this report, we thank all our stakeholders, our beneficiaries, their families, corporate, donors, partners, and the community at large who have extended unwavering support to us in all capacities, making our aspirations achievable. As we embark on a new beginning. In coming year we look forward to continue this partnerships to co-create impact at scale and drive sustainability.

I would like to express my gratitude towards all donors, beneficiaries, and other stakeholders, **without your support we would not have achieved this milestone of Silver Jubilee.**

WITH FAITH & GOODWILL,

We at Amcha Ghar, an Not-for-Profit, work towards creating and ensuring a brighter future for every child from ultra-poor section of the society. We strive to ensure a safe and secured future for children in need with more emphasis on providing them access to quality education, nutritional support, psycho-social support and their overall well-being so as to enable them to be responsible citizens of the nation tomorrow.

Our work spans across multiple flagship programs and ranging from early childcare through pre-primary schooling to secondary schooling and junior collage, livelihood initiatives with focus on making youth career ready, adolescent girls in need of care and protection to be responsible citizen and senior citizens.

Since 1996, we have been involved in their holistic development. Since then we have impacted over 1,319,4609 direct beneficiaries under our flagship programs. Your kindness has enabled us to expand and scale our work in Maharashtra and other states including west Bengal and Zharkhand.

This financial year we have impacted about 12,540 direct beneficiaries under our flagship projects which includes 6061 under Nutritional aid and destitute childcare, over 800 under access to quality education, 5000 plus under preventive healthcare & COVID relief and 600 plus senior citizen.

As the magnitude of the problems is high, Amcha Ghar has decided to scale our services in five states of India in next five years. By 2025, Amcha Ghar aims to impact additional 50,000+ direct lives with your support, strategic partnerships and collaborations with key stakeholders.

HISTORY

In 1995, Mrs. Agatha Susheela Dias, the founder, was informed that she needs to compile a report on a case of sexual harassment that had occurred in her zone when she was out for her Christmas vacation. While she was investigating the crime, a question aroused deep within her: "Susheela, you work for 8 hours and return home, but what happens to these girls who do not live in a safe environment at night?" Mrs. Agatha ma'am was shocked after speaking with the victim's mother. To her surprise, the mother was aware of the violence but did not speak up because she was afraid that the uncle would abandon their family. Ma'am's life got changed as a result of this incident. She was young and eager to help others. She thought of doing something for these young girls and quit her existing job. Thus, began her journey to save these helpless angels from the streets and the evil society.

On April 14, 1996, a dedicated team of social workers, lawyers, physicians, and well-wishers joined Mrs. Agatha ma'am along with her husband, Lt. Anthony Dias in a small village called Uttan in Bhayander, laid the stones of Amcha Ghar. It began as a home for a handful of girls and is now expanded to a facility that can accommodate up to approx 25 girls. They have helped many girls reintegrate into society by making them independent and highly resilient.

VISION

We envision a nation where all individuals and families achieve their human potential through quality education, childcare, sustainable livelihood, and better lifestyle for senior citizens.

MISSION

We will invest in a responsible manner to reduce inequalities and promote equitable growth in the country through access to quality education and destitute childcare, Health and Access to Sustainable Livelihood to contribute towards Sustainable Development to create Impact at Scale.

ORPHANAGE (BAL GRUH)

Year of ESTD - 1996

No. Of Beneficiaries - 25 Girls

Age Group - 6-18 yrs

It is a shelter home for the underprivileged, orphan & semi-orphan girls. The beneficiaries have been uplifted by providing them access to quality education with experiential learning environment including nutritional aid, medical aid, recreational, self-defense, and spiritual facilities in a homely atmosphere until they become independent. Additionally, we also provide them life skills & soft skills training & workshops so as to make them capable enough so that they came in mainstream of the society. This home functions under the Juvenile Justice Act (J J Act) & the beneficiaries that come to Amcha Ghar are sanctioned by the Child Welfare Committee (CWC). Until now we have transformed life of 112 beneficiaries by way of accessing higher education and job, marriage and lead dignified life.

EDUCATIONAL SUPPORT

Year of ESTD - 2002

No. Of Beneficiaries - 800

Age Group - 3-18 yrs

We firmly believe that education transform Children from ultra-poor section of the society to lead them a dignified life hence we have started unique initiative of "Access to quality education for one and all" in the year 2002. Since then we have impacted over 9000 students from ultra-poor section of the society. At present school provide quality education to over 800 students from local community who cant afford education otherwise. We have started this initiative with intent to reduce the disparity and bridge the digital divide between villages and growing cities, educate and empower them so that they find their gateway to career and make better choices in life and lead decent and dignified life. Amcha Ghar has been running the school "Amcha Ghar English High School & Jr. College and 5 pre-primary groups of schools. It is one of the best school that provide quality education to children, have digital classrooms, efficient management, teaching and non-teaching staff and other facilities which includes psycho-social support to children, filtered drinking water, nutritional aid, sport, school bus, play ground to ensure that every child access quality education without any obstacle and no-one left behind. We also provide a remedial English Medium Education to Migrant Tribal Children of Talasari & Dahanu in and around our premises after school hours.

NUTRITION PROGRAM

Impact -

Amcha Ghar has started another unique initiative to address hunger issues amongst orphan children as well and in the local community which further contributes towards attainment of sustainable development goal (SDG-2). Since inception Amcha Ghar has impacted over 12,96,400 beneficiaries through meal program.

During this financial year we have directly impacted over 6,086 lives under nutritional aid program.

The nutritional aid project focuses on providing dry ration to senior citizen and freshly cooked meal to orphan girls at orphan age in Uttan, Thane Maharashtra and Zharkhand. This year we have extended our Nutritional aid project to people in need in Zharkhand too.

HEALTHCARE PROGRAM

Impact -

The global pandemic has pushed children, women and adults to go hungry as many of them have lost their employment. As per UNDP's recent report on hunger, nearly 151 million children under five are still stunted, 1 out of 8 adults are obese, 1 in 3 women in reproductive age is anemic hence intervention is critical.

Project 'Healing Angels' an Amcha Ghar initiative, aims at providing financial support to the poor underprivileged children towards their treatment in the hospital. These children are deprived of their treatment due to being financially challenged. Amcha Ghar believes that every child attains the right to survival.

Amcha Ghar has impacted over 2,000 direct lives under healthcare initiatives. This includes interventions COVID-19 relief work wherein we have COVID-19 infection prevention kit comprises of sanitizer, mask and soap. Additionally we have donated sanitary pads to adolescent girls to manage their Menstrual cycle effectively. We have empowered them with education, sensitization and training.

COVID 19-Project HEAL (Rebuilding lives)

The world is facing unprecedented challenges globally and the pandemic is hitting us in different forms. While COVID-19 has threatened our lives, the lock-down has further slowed down growth of the country.

To start with, a survey was conducted in communities where most of the communities reside and make their living out of small livelihood, with the objective to understand the need and ways they are coping with such unexpected challenges. Basis of the study, Amcha Ghar has as a mitigation strategy Amcha Ghar has set up special project that empower and support people in need with PPE kits, Masks and dry ration kits so as to enable them to overcome in the pandemic. Until now we have impacted 3,000 lives directly.

Be a Caring Angel, help the needy elderly through difficult times

These grandparents have been neglected by their own children and grandchildren and left alone to fend for themselves. As we do not have our own premises yet, the care is provided to the caring angels at their own homes. We have been supporting nearly 50 beneficiaries from the last 2 years by providing them ration and medical aid on a monthly basis.

The poor and the elderly are the most vulnerable to the ongoing pandemic and without proper care and nutrition will fall prey to the dire circumstances.

Prayers for people & families affected with Covid-19

Oh God thank you for the gifts of this day to me and especially mom and dad, mummy, daddy, brothers, sisters, and all our well-wishers. Thank you for the food, clothes, air, studies, and play that we enjoy today. We pray for those children who are unable to receive them as we do at here. Oh God grant me the serenity to accept the things that I cannot change and courage to change the things that I can and wisdom to know the difference.

For grass and flowers and growing trees, for birds and butterflies and bees. For our father and our mothers, for our sisters and our brothers, we thank you God for home and all the love that's there. For food, we eat and clothes we wear, for books to read and songs to sing, for playmates and for everything. We thank you God and let Amcha Ghar live forever and ever Amen!

AGATHA SUSHILA DIAS

Social Reformer and Founder Director of Amcha Ghar

That she needs an introduction is unfortunate. For there are not many as venerable as social reformer Agatha Sushila Dias, who's saved more than 500 girls from the perils of falling off the tracks through her NGO 'Amcha Ghar'.

AGATHA SUSHILA DIAS

**Social Reformer and Founder
Director of Amcha Ghar**

Her story is one of grit and determination. Born in 1967 in a small village called Madar, Ajmer in the state of Rajasthan, to an Army veteran father and a housewife mother, Agatha was brought up in a poor household with six siblings.

When she was 16, she left her hometown and migrated to Mumbai to join the German Missionary. Arriving in Mumbai, she learned English and began her mission by serving needy people in the slums of Andheri, which later expanded to the slums and villages of Madhya Pradesh, Bangalore, etc. In 1991, she took admission in Nirmala Niketan college of Social Work, as a missionary to pursue her Bachelor's in Social Work. It was then she realised that she didn't have to go down the religious path to serve society.

With Rs 20,000 in hand, she quit the missionary, moved into the college hostel, and began her journey to an independent life. In 1993, with a lot of financial difficulties and various other challenges, Agatha graduated in Social Work and took a job as a community social worker that paid Rs 2,800 monthly. During her final years of college, she met her to-be husband Anthony Dias and married him in 1994.

Marriage did not dim Agatha's determination to create a safe home for girls who are abandoned and at risk. And thus with her husband's support in 1996, she co-founded 'Amcha Ghar' (Our home) in the village of Uttan, Bhayander (W), Mumbai, India.

SUCCESS STORY

I Agatha Sushila Dias, is really happy to tell you that the Angels/Children at Amcha Ghar are learning the whole day busy in various forms of learning such as yoga, coding, artificial intelligence, embroidery, warli painting, craft, photography, maths, abacus, brain games. As you know due to the COVID19 I have kept the children separately on the terrace flat, so when I go to meet them in the evening the children share with me all they learned throughout the day, I feel overwhelmed looking at their happy faces. That very moment is the best moment for me in the entire day. I would also love to have a video call with you so that you that the children can talk to you. Your support is invaluable to us. Thank you for standing with us in this pandemic. Also, do visit us in India when traveling is safe. Sending lots of love and prayers from Amcha Ghar Family to you and your family.
